Greater Lafourche Port Commission and Customer acknowledge that in order to provide the Crisis Communication Services, Greater Lafourche Port Commission may obtain certain confidential employee and/or Customer End User information, including but not limited to names, social security numbers, email addresses, mailing addresses, and telephone numbers ("Confidential End User Information"). Greater Lafourche Port Commission shall use commercially reasonable means, including but not limited to data encryption, to prevent the Confidential End User Information from being disclosed. Customer acknowledges that the Confidential End User Information will be stored on a computer system that is connected to the internet and thus, despite the use of commercially reasonable means to prevent the information from being disclosed, the Confidential End User Information may be accessed by unauthorized persons through "computer hacking" or other similar means.
